Our website uses cookies. In this cookie statement we explain what cookies are, which cookies we use, for what purposes, and how you can manage them.

## **What are cookies?**

Cookies are small text files that are stored on your computer, tablet, or smartphone when you visit a website. They allow information about your website usage to be saved and accessed later.

## **Which types of cookies do we use?**

### 1. Functional cookies

Necessary for the proper functioning of our website. They ensure, for example, that your preferences are remembered and that the website can be used securely.

### 2. Analytical cookies

Used to gain insight into how our website is used (e.g. visitor numbers, click behavior) so we can improve our website and services. We use Google Analytics for this purpose.

### 3. Marketing and targeting cookies

Used (by us and third parties such as Google) to display relevant advertisements based on your browsing behavior. They also make personalization of content possible.

### 4. Customer interaction cookies

These cookies enable our online support function and FAQ (e.g. Zendesk).

### 5. Caching cookies

To improve performance and loading speed, we use caching techniques (such as LiteSpeed Cache). These temporarily store a copy of web pages for faster response times.

## **Examples of cookies we use**

- Cookie Consent – to store your cookie preferences
- Google Analytics / GA Audiences / Google Tag Manager – analytics and marketing
- Google Ads Conversion / Dynamic Remarketing / DoubleClick – advertising and tracking
- Ipinfo – IP-based location services
- Zendesk – customer service and support
- LiteSpeed Cache – performance and caching

## **Consent for cookies**

When you first visit our website, a cookie banner will be displayed. This banner explains which cookies we use and asks for your consent to place analytical and marketing cookies. Functional cookies are always placed, as they are necessary for the website to function properly.

By continuing to use our website after the banner is displayed, you consent to the use of the cookies mentioned in the banner and this cookie statement.

## **Managing and deleting cookies**

You can disable cookies or remove existing ones via your browser settings. Most browsers also allow you to receive a warning before a cookie is placed. Please note that disabling cookies may affect the functionality of our website. More information about managing cookies can be found in the Help section of your browser.

## **Third-party cookies**

We use services from third parties (such as Google and Zendesk) who may also place cookies. We have no control over how these third parties use the information they collect. For more details, please consult their privacy policies:

- Google Privacy & Terms
- Zendesk Privacy Policy

## **Changes**

We may update this cookie statement from time to time. Changes will be published on this website. We recommend checking this statement regularly to stay informed.
